Psalm 19:1

"The heavens proclaim the Glory of God; the skies display His craftsmanship"

● This Month's Focus: Creation

This month, our theme is Creation. It is a wonderful reminder that God is always revealing Himself through the world around us. From the beauty of nature to the details of everyday life, creation points us back to God's power, wisdom, and love. When children learn to see God as their Creator, it helps them understand who He is and how deeply they are known and loved by Him.

Parents have a special opportunity to bring this theme to life at home in simple and meaningful ways. Taking time to notice creation together can spark great faith conversations. A walk outside, a changing season, a pet, or even a clear night sky can become a moment to talk about God's creativity and care. Asking questions like "What do you think this shows us about God?" helps children connect their faith to real life.

Creation also reminds children that they were made on purpose. Each child is uniquely created by God and has value and purpose in His plan. When parents speak truth and encouragement over their children, it helps them grow in confidence and humility. Living a godly life begins with understanding that we are created in God's image and called to reflect His love in how we treat others.

Creation: Cont'd

Prayer and Scripture can naturally support this theme as well. Reading Bible passages that focus on creation and thanking God together for the world He made helps children develop grateful hearts. Simple prayers of thankfulness teach children to recognize God's presence in everyday moments, not just on Sundays.

Finally, the theme of Creation helps children learn responsibility and care for what God has given us. When families show respect for the environment, care for others, and make thoughtful choices, children see faith lived out in practical ways. These daily examples shape hearts that desire to honor God.

As we focus on Creation this month, our hope is that families will grow closer to God together by noticing His handiwork and recognizing His love in both the world around us and in their own lives.

HAPPY BIRTHDAY TO THE FOLLOWING FACULTY AND STAFF MEMBERS:

- 2/2 Lisa Kitchens
- 2/4 Dawn Parker
- 2/5 Bishop Barlow
- 2/6 Allen Sanders
- 2/7 Wanda Reeves

Enrollment for the 2026-2027 school year has opened.

Be sure to check your FACTS for more information.

UPCOMING EVENTS

- February 3- Girls Basketball, 4:00, Canton
- February 4- Boys Basketball, 7:45, Canton
- February 7- Tennis, Pre-season Match
- February 10- Progress Reports
- February 12- JV/V Baseball @ Talullah, 4:00
Tennis, East Rankin, 3:30

How does God's creation show His love for us?

"He really thought through the creation in order for the making over everything to be perfect for us.

Conner White, 7th Grade

What is your favorite thing God created and why?

"My dog, Ryder. He gives me a lot of kisses"

Bryson Young, K5

How does noticing God's creation help you grow closer to Him in your everyday life?

"Through seeing the beauty in everything He made. It amazes me that He can do that. It shows His power."

Piper Sanders, 9th Grade
