1 Thessalonians 5:18

"give thanks in all circumstances, for this is God's will for you in Christ Jesus"

● A Thankful Heart

Being thankful is more than a simple feeling. Being thankful is a choice and a reflection of a heart that trusts God completely. The Bible calls us to "give thanks in all circumstances, for this is God's will for you in Christ Jesus" (1 Thessalonians 5:18). Gratitude is not just for the good days; it's for every season, even when things are uncertain or difficult.

A steadfast heart remains thankful because it remembers who God is. He never changes, even when life does. When we stay steadfast in our faith, anchored in God's truth, we begin to see His hand at work in all things. We recognize that every blessing, big or small, is a gift from Him. Thankfulness then becomes our way of worship, our way of saying, "God, I trust You no matter what."

Being thankful doesn't mean pretending everything is perfect. It means choosing to focus on God's goodness, His promises, and His constant presence. A steadfast, thankful heart shines hope to others and draws us closer to the Lord who provides, sustains, and never fails.

So, let's live each day with steadfast gratitude—remembering that when our hearts are thankful, our faith grows stronger, and our lives reflect the joy of knowing Him.

We are thankful for our PTO!

Discovery Christian School is giving a heartfelt thank you to its active and dedicated Parent-Teacher Organization for their steadfast commitment to serving the school community. The PTO's involvement reaches every corner of campus life- from running the snack cart each Friday and decorating for special events, to passing out candy at Trunk or Treat, to organizing Fast Food Fridays and helping with Field Day. Their creativity, teamwork, and enthusiasm help foster a joyful spirit throughout the school.

Teachers and students alike recognize that much of DCS's positive school culture stems from the PTO's consistent support and behind-the-scenes work. Their efforts bring families together and help make every event memorable. Discovery Christian School proudly celebrates its PTO and Mrs. Carla Morgan for their dedication, servant hearts, and unwavering love for the DCS community.

Thank you!

We would love for you to get Involved!

If you are interested in volunteering with the PTO, feel free to reach out to Carla Morgan, cmorgan@dcsliions.com

Membership is free.
